This palatial, detached, 4 double bedroom garden house with 4 en-suite bathrooms is in the much sought after Long Beach area. The substantial property is only a 5 minute walk to the local hot spot, McKenzie Beach, with its clear waters, golden sand and contemporary beach clubs. The property has been built to a high spec and would be suitable for a full time residence, holiday home, rental investment, yoga or photography retreat. Viewing is essential in order to appreciate the scale of this house, which currently sleeps 17, but has enough space to sleep more.

This 3 storey house is in brilliant condition and all windows have fitted mosquito nets.

The 4 large double bedrooms have en-suites bathrooms with baths, showers, double sinks, fitted wardrobes and Juliet balconies. There are sea and sunrise views from 2 of the bedrooms and from the vast roof terrace, which is the size of the entire house. Well kept gardens
