Exceptional Investment Opportunity

Presenting an exceptional investment opportunity!

This apartment project, situated on a 2375.64 m² land in Kyrenia's Lapta region, is ready for your consideration.

The essential groundwork has been completed – from architecture and engineering to approved drawings. Additionally, all fees, including the building permit fee, have been taken care of.

The project features a mix of 2+1, 1+1, and private pool options, comprising a total of 8 flats within a construction area of 831 m². Enjoy breathtaking mountain and sea views, with the beach just a convenient 300 meters away.

Explore the project through the available 3D video and drawings. This opportunity goes beyond a mere investment; it's a seamless chance to be part of a fully prepared project in a prime Kyrenia location.
